I expect that there will be a "Frugal Lunch" during Lent, also First Communion Sunday will be towards the end of June. I do not have these dates yet. Coffee will not be required on these two Sundays.

When Spring arrives (?), and the weather gets warmer (???), you will have the option of serving coffee in the garden. You decide on the day.

As usual, swap around if you cannot manage your allocated date. If possible please record changes on the notice board upstairs and in the folder in the porch. Pauline & Edward Cox have stepped down as reserves, but I am very pleased to say that Felicity & Tim Smart have taken their place

Let me know if we need any supplies

Thank you for your continued help and support.
