Here is the rota for the rest of the year.

I have been approached by a couple of new volunteers but neither have confirmed their willingness/ability to help. If they work out then there will be a new "group" on the next list.

At the moment I am still sanitising (wiping down) the benches, doors, etc after Mass on Saturdays and Sundays. (with Veronicas help).The parish room is not being used, and we are discouraging use of the toilets (but they are still available). The crying room is quite full of items we have removed from the porch, so again, its use is discouraged.

The basic cleaning still needs to be carried out as usual, and I am grateful that you have all volunteered to stay on the rota. Please swap duties around if necessary.

Keep safe everyone.

Maggy Vince
